Directions to Benyon's Enclosure

(entrance to track and gate near to Red Lion pub, Mortimer West End, RG7 2HU)

From the M3 Junction 6: take the A339 towards Newbury, at the third roundabout take the A340 towards Reading and follow for about 4 miles to Pamber End. Turn right in Pamber End (opposite pub) and after about a mile turn left for Little London and Silchester. At Silchester look for Brown signs for Silchester Roman Town which should take you into Pamber Road. Follow this road and ignore the next two turnings to the right (the second of which is on a left hand bend and is signed to the Roman town). About a hundred yards after this take a track off to the left.

From the M4 Junction 12: take the A4 towards Newbury. After about 4.5 miles take a left turn towards Padworth and Padworth Common. Follow this road for about 3 miles and turn left at a T-Junction (with a grass triangle). Take the next right (just after pub) signposted Mortimer West End. At next T-Junction turn left; then in about 200 yards turn right (Brown signs for Silchester Roman Town). Follow road about 500 yards past Red Lion Pub: turn into track on the right.

Saturday Morning Club Training 10am – 12pm. Please do not try to enter the ground before 9.30am.
