

HEATHER BRADLEY AND PETER CASTLEMAN AWAY DAY TRAINING
To include water training

Thursday 27th June 2019

at Stoke Charity, Nr Winchester

10.00 am – 1.00pm & 2.00pm – 5.00pm

ENTRIES BY 30th MAY 2019

At the request of their members, KVGTS have been asked to arrange a second "Away Day" training session for 16 members with Heather Bradley and Peter Castleman. Both Heather and Peter are well-respected trainers and well known panel judges and this is another great opportunity, following on from last year, to enjoy some excellent training with two top class trainers.

The format will be a three hour training session – half the group (four dogs) will spend an hour and half working with Peter, while the other four dogs work with Heather – one group using the fabulous water Peter has access to and the other group using an adjoining field. Then the groups will swap over.

**The cost of each session will be £25 per dog, to be paid in full with your application.
The fee will be non refundable after the closing date.**

Only one dog per handler per session. (Max 8 dogs in each session)

Please note - this clinic is not suitable for dogs under 12 months old.

Both groups will be aimed at a novice level but aiming towards intermediate level

The aim of both groups will be to develop both handlers and dogs' confidence on and around water, but all dogs must enter water willingly.

On land, dogs should be able to walk to heel off lead, sit, stay, recall, and have a stop whistle.

They should be able to achieve single marked retrieve, deliver to hand, remain reasonably steady when other dogs are working, achieve a double marked retrieve, a memory retrieve and a blind retrieve with shot.

Each class will be limited to 8 places.

So that we can try to ensure that you and your dog get the most out of the day, **please be honest and do not over estimate your dog's achievements**, hopefully this will then enable the whole group to progress through a variety of exercises. Please write on the back of the application form any awards won or any problem areas that you might like to work on.

If oversubscribed, a draw will be made and unsuccessful cheques will be destroyed.

No refund will be given in the event of a handler withdrawing their dog before the closing dates unless the vacancy can be filled and no refund given after the closing date.

If you have any questions about applying for a place, please feel free to talk to Tessa Driscoll:
